Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. On 5/14/10 your committee filed a 24-hour notice informing the Commission of an independent expenditures made in support or opposition of Rand Paul for the 2010 *Primary* election. However, the entry on Schedule E, supporting Line 24 for the reporting period indicates the independent expenditure was made in support or opposition of this candidate for the 2010 *General* election. If your committee has filed 24-hour notices supporting independent expenditures not reflected on your reports, you must file Schedule E during the appropriate reporting period to disclose these payments. Please amend your report to clarify this discrepancy and provide further information concerning these notices.
2. Schedule E supporting Line 24 of your report discloses independent expenditures on behalf of "Rand Paul" and "Marlin Stutzman" designated for the general election; however, they appear to have been publicly disseminated before the primary date in their respective states (see attached). Please amend your report to clarify these apparent discrepancies or provide further information regarding this activity.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action
